# »Awaken the musician within you«

## flowkey GmbH

The easiest way to learn piano

### Our idea

Many people dream of playing the piano, but only a few actually do it. The reason is that the learning process is too expensive, time-consuming and frustrating. flowkey solves this problem with an eLearning platform which provides an easy, playful approach to learning the piano. Thanks to our interactive learning technology, success in learning is possible even without a teacher – anywhere, any time.

### Team

**Jonas Gößling** (B.Sc. Industrial Engineering),  
**Alexander Heesing** (B.Sc. Physics)  
**Ahmed Hassan** (B.Sc. Industrial Engineering)

### Sector

Education

### Mentor

Prof. Dr. Lars Knipping,  
Faculty II - Mathematics and Natural Sciences

### Support

EXIST start-up grant (2013)  
StarTUp + Program (2014)

### Year founded

2013
